SERIOUS EXPERT SUPPORT

// ...RIGHT FROM THE **BEGINNING**

Builder of the industry's first self propelled rotary mower in 1951, Snapper® has been the leader in making lawn work easier. Today, Snapper offers one of the widest selections of garden equipment. Snapper's stylish range of lawn and garden power equipment is designed for easy operation, flexibility and comfort. The range is multifunctional and offers a wide selection of cutting and collecting options. Depending on the model you can choose from side or rear discharge, bagging or mulching. Like our satisfied owners say, "it's as easy as it gets". //

Your specialist Snapper® dealer will offer you the best advice and recommend the Snapper mower or tractor that offers the ultimate performance to suit your needs.

Supporting you every step of the way.

POWER TO ACHIEVE

You want an engine that starts easily, lasts long and always does the job. Tough. Reliable. Innovative – and easy to maintain, like the fierce lawnmower engines we built our reputation on. We offer a complete line of easy-starting engines with the power to cut tall, thick grass.

E SERIES engines set the benchmark performance for the outdoor power equipment industry. In addition to improved emissions, these engines deliver the power, performance and reliability users have come to expect from us. Excellent engines to count on, to get the job done.

The Best Value Choice

The EX SERIES of engines takes all the best attributes of the E SERIES, but delivers performance attributes for the more demanding consumer. The EX SERIES engines offer the best power in the series class and combine this with the ingenious ReadyStart® system. Maximum power with one-pull effortless starting. A powerful performance engine series.

The Performance Choice

EXi SERIES engines combine powerful performance with new levels of easy operation. Easy to use, easy to maintain, easy to start – the EXi SERIES delivers a new engine experience for the most demanding of end users.

Easy features are everywhere, including ReadyStart® and simple maintenance features like tool-less air cleaner, and no regular oil change – just an occasional top-up*. Built into advanced powerful OHV platforms the EXi SERIES engines produce a new standard of smooth and quiet performance with optimum power to weight ratios.

The New Standard

* Conditions apply. Visit www.BRIGGSandSTRATTON.com for details.

The I/C® SERIES engines represent the ultimate durability package. These engines provide all the performance benefits of the E SERIES engine family and in addition deliver the extended durability professional users are looking for. The I/C SERIES feature a Cast Iron cylinder sleeve which is designed to significantly enhance the longevity of the engine for those operators who use their equipment day-in and day-out.

The I/C SERIES engines are easy to start, powerful and designed to work hard.

The Professionals Choice

The iS SERIES engines represent the ultimate performance package in the engine line-up. They naturally incorporate the heritage attributes of power, performance and reliability, but add the most innovative and easiest starting ever seen on a lawnmower.

iS SERIES engines use Lithium-Ion batteries to provide repeated and reliable starting without the need of a rope-pull.

Effortless, Ingenious Starting

XD BATTERY GARDEN TOOLS

BRUSHLESS
MOTOR TECHNOLOGY

- * Maximum initial battery voltage (measured without workload) is 82-volts. Nominal voltage is 72.
- ** See operator's manual or dealer for complete warranty details; 2-year battery warranty valid for residential consumer use only.
- *** Chainsaw for use with 2Ah battery only.

SWITCH ON. POWER UP.

One Battery, Multiple Tools.

The Snapper® XD 82-Volt Max* Lawn and Garden System powered by Briggs & Stratton offers powerful, durable and reliable battery powered tools that deliver on performance. The product range consists of walk behind mowers, handheld tools and a utility cart. All products are compatible with a 2 Ah, 4 Ah or 5Ah Briggs & Stratton® Lithium-Ion Battery***. WARRANTY**

Rapid Battery Charging Station **EBSRC82**

- Wall/surface mountable for space saving storage.
- Charges Briggs & Stratton® 82V Max* 2 Ah, 4 Ah and 5Ah Lithium-ion batteries.
- Blue indicator lights display charging level diagnostics.

XD BATTERY GARDEN TOOLS

Hedge Trimmer

- 800 Watt high efficiency brushless engine.
- 26" / 66 cm high grade steel alloy blades.
- Up to 90 minutes* run time (Fully charged 2 Ah battery).
- Innovative 180° rotating handle locks in increments of 45° for easy angled operation.
- Unique blade reverse function helps remove jams effortlessly.
- Cast metal tip for bump protection.
- Comfortable, ergonomic rubber handle and touch points.

SXDHT82

Chainsaw

- 1200 Watt high efficiency brushless engine.
- Oregon® Chain 3/8 LP.
- 18" Oregon® Guide Bar 0,050" / 1,3 mm.
- Capable of 160+ cuts* 4" x 4" soft pine (Fully charged 2 Ah battery***).
- Auto-oil system for chain lubrication (200 ml capacity).
- Onboard tension adjustment tool.
- Rugged metal handle with comfortable, ergonomic rubber grip and touch points.
- Base-mounted metal gripping teeth for maximum cutting leverage.

SXDCS82

Leaf Blower

- 750 Watt high efficiency brushless engine.
- 201 km/h air speed; 14,2 m³/min air volume**.
- Up to 40 minutes* run time (Fully charged 2 Ah battery) .
- Infinite speed control maintains desired airflow at any speed.
- Stable, anti-tip base design.
- Metal tube bump/scrape protecting end ring.
- Comfortable, ergonomic rubber handle and touch points.

SXDBL82

String Trimmer / Multi-tool

- 800 Watt high efficiency brushless engine.
- 16"/41 cm cutting diameter.
- Up to 25 minutes* run time (Fully charged 2 Ah battery).
- Dual line bump feed head.
- Durable 1-inch aluminum shaft with cast metal connector.
- Push button multi-speed controls with indicator light.
- Comfortable, ergonomic rubber handle and touch points.

SXDST82

Battery Harness

- For use with our XD battery tools.

Part #: 770294

* Run time and output capacity may be affected by conditions and usage.
** Taken at handle output.
*** Chainsaw for use with 2Ah battery only.

String Trimmer/Multi-tool Attachments

Cultivator

- Aluminum shaft 1" – square spline
- Working width 10" / 25 cm - or smaller when you take the two outer tines off.
- 12 teeth ø20 cm Tine.
- Cast aluminum housing.
- Shipping weight 6,3 kg.

Part #: 1696891

Hedge Trimmer

- Aluminum shaft 1" – square spline.
- Cutting length 17" / 43 cm.
- Shipping weight 3,2 kg.

Part #: 1696895

Pole Saw

- Aluminum shaft 1" – square spline.
- Equipped with Oregon® guide bar and chain, length 10" / 25 cm.
- Automatic oiler.
- Oil tank.

Part #: 1696893

Extension Pole
Part #: 1696901

Brush Cutter

- Aluminum shaft 1" – square spline.
- Cutting width 10" / 25,5 cm.
- 3 teeth steel blade.
- Plastic Guard.
- Cast aluminum housing.

Part #: 1696899

Utility Cart

A self propelled cart that helps you moving heavy supplies and materials and includes a lift assistance that allows unloading with ease. Equipped with unique foldable drawbar which gives you the possibility to use this utility cart behind your tractor.

- High loading capacity of 100 kg / 106 L*.
- Easy-to-control variable speed.
- Two forward speeds and reverse.
- Lift assistance for easy unloading.
- 300 watt brushless engine.
- Unique foldable hitchpoint, to be used as a cart behind your tractor.

ESXDU82

* 100 kg. capacity, do not overload; do not carry passengers. See operator's manual for details.

XD BATTERY LAWN MOWERS

SMART AND EFFICIENT

Load Sensing Technology detects grass cutting conditions and automatically delivers the power needed for the cutting environment. This results in an optimised runtime.

ALL ABOUT ERGONOMICS

Overmoulded rubber handle provides an ergonomic grip and comfort for the operator. It also includes easy-to-reach touch points, including push button start.

BRUSHLESS MOTOR TECHNOLOGY

A long life, 1000 or 1200-watt high-efficiency brushless motor provides the power and reliability you need to mow your lawn for years to come.

The adjustable, premium mid-back seat with armrests delivers high ride comfort. On ZTX250 only.

EASY ENGINE ACCESS

Flip up the cargo bed easily for full access to the engine compartment.

ZTX200

- Briggs & Stratton Professional Series™ 8240 V-Twin
- Hydro-Gear® EZT® transmissions
- 42" / 107 cm fabricated steel mower deck
- Forward speed: 0 - 11,0 km/h
- Reverse speed: 0 - 4,0 km/h
- Tyres front/rear: 11 x 6" / 20 x 8"
- **Cargo bed optional***
- Warranty: 3-year limited

ZTX250

- Briggs & Stratton Professional Series™ 8270 V-Twin
- Hydro-Gear® EZT® transmissions
- 48" / 122 cm fabricated steel mower deck
- Forward speed: 0 - 11,0 km/h
- Reverse speed: 0 - 4,0 km/h
- Tyres front/rear: 11 x 6" / 20 x 8"
- **Cargo bed included***
- Warranty: 3-year limited
- Mid-back, premium seat

For all accessories see page 45.

* 22,7 kg. capacity, do not overload; do not carry passengers. See operator's manual for details.

ZTX ZERO TURNS

INCREASED PRODUCT VERSATILITY, FLEXIBILITY AND QUALITY OF CUT

The CentreCut™ mower deck offers options to change the mower deck configuration depending on grass circumstances. This heavy duty fabricated steel mower deck is standard equipped with Eliminator® mulching blades*, providing superior cutting performance and more versatility.

In all cutting modes, the rear discharge deck provides trimming edges on both sides of the deck preventing clippings being blown into flowerbeds or pavement.

CENTRE CUT™
Convertible Rear Discharge Deck

Easy to convert from rear discharge to mulching!

See operator's manual or dealer for complete warranty details.

FOR LONG GRASS / FIRST CUT

Use the rear discharge mower deck configuration.

INCLUDED

FOR NORMAL GRASS CONDITIONS / ONGOING CUTS

Use the rear discharge mower deck configuration with the half-height mulching baffle.

INCLUDED

FOR SUPERIOR MULCHING PERFORMANCE

Use the rear discharge mower deck configuration with full-height mulching baffle.

OPTIONAL

The full-height mulching baffle can be ordered separately.

* Eliminator® is a registered trademark of Fisher Barton.

AN IMPRESSIVE CUT

ZTX275

- Briggs & Stratton Professional Series™ 8270 V-Twin
- Hydro-Gear® EZT® transmissions

ACCESSORIES

Mulching Kit

Converts easily to a mulching deck.

Tyre Chains

For use on slippery surfaces.

Single Bag Collector

Accessible collection drawer with 175 litre capacity.

Twin Bag Collector

Bag your clippings on a Side Discharge mower.

Triple Bag Collector

Bag your clippings on a Side Discharge mower.

Dozer Blade

Great for clearing paths.

Front Bumper

Adds extra durability to the front-end of the tractor.

Light Kit

Two LED headlights for all round mowing.

Rhino Grip Set

Easily mount additional garden tools on your zero turn.

ADDED VERSATILITY

Snapper's cargo bed* provides on-the-go versatility and convenience. The cargo bed dumps to the rear for easy clean-out and provides the flexibility needed for all your garden transportation needs.

Your independent Snapper® dealer has a full line of outdoor power equipment to suit every need. Snapper, a Briggs & Stratton brand, manufactures a wide variety of outdoor power equipment, lawn and garden tractors and snow removal equipment for consumer use. Factory approved parts, accessories and maintenance items are available at authorised dealers.
